MILLER THE JOB KILLER

LET THEM EAT CAKE![1]

COSTS ARE DOWN AND PROFITS ARE UP! U.S. WORKERS WILL JUST HAVE TO GET USED TO LOWER WAGES.[2]

NOW GET THOSE JOBS OVERSEAS, *NOW*! BLAME IT ON TECHNOLOGY WHILE I COUNT MY MONEY!

SHUT YOUR MOUTH, KILLER! I'M GONNA *FIGHT TO KEEP THOSE JOBS HERE* AND TO BRING THE OTHERS HOME! THE *LAST THING WE NEED* IN D.C. IS ANOTHER LOBBYIST!

Harris Miller, a corporate lobbyist, made his fortune by advocating the outsourcing of American jobs. Called the "anti-Christ of outsourcing," *Miller claims outsourcing "is good for the American economy."*[3]

For the few jobs that are left behind, Miller worked equally hard to increase the number of foreign workers coming in to work for lower wages. Miller's efforts have driven down wages and benefits for all American workers.

The AFL-CIO has labeled Miller "truly one of the bad guys."[4]

In February of this year the AFL-CIO commented, "Over and over again on core issues like trade, immigration, overtime protections and privatization of federal jobs, he's not only been on the wrong side, *he's been galvanizing corporate efforts against us.*"

THERE IS A SOLUTION... ON JUNE 13TH, VOTE FOR

JIM WEBB FOR U.S. SENATE

Virginia workers need a U.S. Senator who will have the courage to stand up and do what is right.

Jim Webb is a former Secretary of the Navy, award-winning author and journalist. He is proud to have served his country in Vietnam as a highly-decorated Marine. Throughout his career, *Jim has been willing to make tough decisions and stick by them because it was right.*

As Virginia's Senator, Jim Webb will be a voice for working Virginians and will fight for what is really important.

- Keep our economy sound by stopping good jobs from being exported overseas and making sure working families have access to quality health care and a good education.

- Reign in the gross abuse of Presidential power by standing up and speaking the truth.

- Get our foreign and defense policy back on the track to fighting terrorism, protecting our ports and borders and keeping us safe.

- Root out corporate corruption and end the lobbyist stranglehold on Congress, restoring confidence in our government.
